

**NOTRE DAME HIGH SCHOOL
OFFICE OF CAMPUS MINISTRY
2008-2009 CHRISTIAN SERVICE REPORT FORM**

To Service Supervisors:

Notre Dame High School provides its students the opportunity to concretely live out and celebrate their faith through service. Founded upon the mission to form young men of faith, scholarship, and service, the Christian Service Experience complements the school's curriculum by providing experiences that assist students in recognizing the broader perspective of community and their unique roles in building Christian community.

Please note that the student must fulfill the following requirements in order to ensure that their service is meaningful, formative and directed toward those who need it:

- Students must not receive monetary or any other form of payment or credit for their work.
- Work done for family members does NOT qualify.

Please sign the form below. We trust the accuracy and integrity of the information so that the proper credit can be given to the student. Thank you for allowing this Don (Gentleman of Mary) to serve you. If you have any questions or comments please contact us by email at the addresses listed below.
